## ANNUAL OPERATING BUDGET IMPACT (\$000)

### DESCRIPTION

This is a revolving loan fund from which HOC is authorized to use up to \$10.5 million at any one time for: [a] the interim financing, including cost of acquisition and finishing by HOC, of MPDUs as permitted in Chapter 25A of the Montgomery County Code, provided that the unit is used in tandem with a Federal, State, or local subsidy program and is developed to provide housing to low and moderate income households; and [b] planning, acquisition, and improvement of sites and/or existing properties for low and moderate income, single, or multifamily housing facilities, which are to be owned and operated by HOC or its designees. Sites may be land-banked in anticipation of future development when adequate public facilities become available. Upon receipt of permanent financing, monies are returned to the fund for reuse. No MPDU may be held by the fund for more than 24 months, the 24-month maximum holding period may be extended in unusual situations for a limited time upon determination by the Director of the Department of Housing and Community Affairs that such an extension would best support purposes of this program. HOC may determine that a County lump sum subsidy is required to secure independent financing or meet Federal, State, or local program guidelines for itself or its designees. Such write-downs from County funds shall be made only for projects serving households whose incomes do not exceed the following limits: 1/3 units - 80 percent of Washington Metropolitan Area Median income; 1/3 units - 80 percent of County Median income; and 1/3 units uncontrolled. In the event that a subsidy is undertaken, then in its next CIP submission, HOC shall include a PDF describing the subsidized program and shall request an appropriation sufficient to fully repay this fund.

### Service Area

Countywide

### JUSTIFICATION

Availability of the fund helps assure that HOC has the resources to respond promptly to acquisition opportunities for MPDUs, sites, and properties in suitable locations consistent with County housing policy. The ability to make write-downs from this fund permits HOC to increase public purpose in its developments during times of scarce outside subsidies.

### STATUS

Outstanding draws as of June 30, 2001, totaled \$8.98 million. Repayments of \$6.34 million are expected in fiscal year 2002 for the repayment of Stewarttown Homes (\$2.26 million), State Partnership Rental Program VI (\$3.57 million), and the remaining outstanding balance of Georgian Court (\$.51 million). In FY02, HOC also anticipates needing up to \$6.0 million for the purchase of MPDU's for the 7th State Partnership Rental Program and up to \$1.86 million to take advantage of new acquisition and development opportunities.

### OTHER

The County General Plan Refinement stands in compliance with the General Plan requirement of the Maryland Economic Growth, Resource Protection, and Planning Act. County Master Plans must be in compliance with the General Plan.

Beginning in FY01, as a contribution to public housing, HOC was given relief on past due interest payments and is no longer required to pay interest on funding for this project.
